TOP TRUCKSTOP

The Langrick Café well known to us all on the site of the redundant Langrick Station has made it to the last eight of the Truckstop of the year competition which takes in establishments all over the UK. Jilly and her staff are delighted to have got this far in the competition. Readers of truckstop News have voted and in the coming weeks teams of expert judges will be despatched to anonymously test and appraise each of the shortlisted truck stops and report on all the main aspects of the establishments – including the variety and quality of food, the range of facilities on offer, parking and security provision, fuel and AdBlue availability and more. So fingers crossed for our terrific local café.
