

## Langrville Parish Council Meeting

18<sup>th</sup> March 2019 8pm start

All councillors in attendance

### Agenda

1. Chairman thanked Councillors for their input to the Annual Parish Meeting.
2. No apologies
3. No declarations of interest.
4. **Notes of meeting** held 14<sup>th</sup> January 2019 previously circulated, proposed Cllr Eaton as a true and correct record, seconded Cllr Cawthorn, all in favour **RESOLVED**.
5. **Lincolnshire Police** have instructed PCSO's not to attend or spend precious time writing reports for Parish & Town councils – a link to the Lincs police crime map has been provided to all to look at crime patterns locally and further afield should they wish to.
6. **Highways** – the junction B1192 Ferry Road and Armtree Road is still not repaired following the accident back in September 2018, constant reports and requests for updates are being sent to LCC and ELDC who are responsible for the street light. County Cllr Tom Ashton is to ask for a meeting with officers to gain insight into the reasons for the delay.
7. **Speed indicator** report covered in APM – the results from the Gipsev Drove site will be passed to RSP and Police this week for further investigation.
8. **District Cllr Neil Jones** has given £250 to Langrick Matters towards the decoration of the village hall. Funds are to be sought for defibrillator cabinet.  
**District & County Cllr Tom Ashton** reported on the budgets overall the increase is minimal compared with other areas, East Lindsey has the highest over 65yrs population in the county this puts pressure on Social and Adult Care services locally. Street lighting part night service has been revisited and an option to pay a one off fee towards keeping these lights on has been put forward, there were no lights affected by this in this parish but for those areas that were trialled a fee of between £150 & £300 could get them back on.. Highways officer Andy Ratcliffe is retiring from his post. Cllr Richard Davies will visit the villages but due to elections and PURDA this will not be until May or June.
9. **Village hall** – Community Payback teams are working on the hall decoration and grounds maintenance – making a big difference and paying back time for their crimes, supervised at all times.
10. **Finance** – invoices paid as listed Clerks salary Feb /March £304; HMRC feb/March £76; LALC annual fee £149 **RESOLVED**
11. Items for next agenda – land for parking at Antons Gowt lock area, Green villages.
12. Clerks report – Election packs are available, all current councillors wishing to stand for next 4 year term need to re-apply, if there are more applications than seats available (7) the election will be contested on 2<sup>nd</sup> May.

**Next meeting 13th May**
